

2013-14 Directions for Initial Evaluations Age 3-21

Indicator 11 information for the SPP is collected for all students age 3-21.

Do not include on the Initial Evaluation spreadsheet:

- Three year re-evaluations for continued eligibility.
 - Students evaluated to add related services that are currently in special education.
 - Initial referrals for Birth to 3 services.
 - Students moving from another district or state who **do not** require additional evaluations (if additional evaluations are needed-have parents sign prior notice and document student as an initial evaluation).
1. This spreadsheet is required for SPP data collection. It will need to be completed for the fiscal year beginning July 1, 2013 and ending June 30, 2014. A compiled district spreadsheet must be submitted no later than August 1, 2014.
 2. Download and save to your computer the Initial Evals 13-14 spreadsheet from the website at: http://doe.sd.gov/oess/sped_SPP.aspx. A final report sent to the state should contain all the students for the district, including those done by outside evaluators. Save the final spreadsheet as “*DistrictName_initial_evals_13-14*” The final document must be e-mailed as an attachment to Wendy.Jarvis@state.sd.us by August 1, 2014 with a subject heading in the email as “*Initial Evals District Name*”. Please attach a copy of your 2013-2014 school calendar.
